

„10 PHOTOS”

Pusztamérges High School

Hungary 2013

Once upon a time....,
when the project began,
this small group decided
to discover the chosen national park.

POLAND

In Poland we got into a multi-coloured world.

POLAND

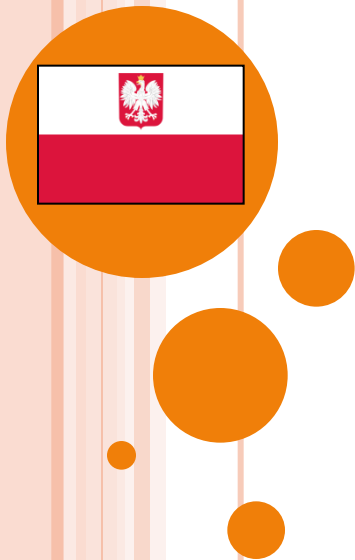

We can see how we
were working together
like the „Wroclaw dwarfs”.

POLAND

We had just enough space in the mountains.

POLAND

The fountain was amazing. We can't see like this even in Las Vegas. 😊

HUNGARY

Here the snow began to melt...

HUNGARY

We weren't surprised that many of you
couldn't come...

HUNGARY

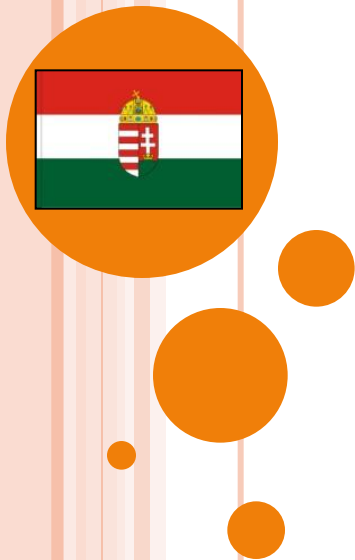

- A lot of different nations got together to have a dance... hopefully, not because they were cold.

HUNGARY

Everybody was very enthusiastic
during the game. 😊

HUNGARY

Not only Josip,
but everybody were winners that night. ;-)

HUNGARY

I hope you enjoyed the Hungarian cuisine... ;-)

HUNGARY

There were some advantages of the winter...

HUNGARY

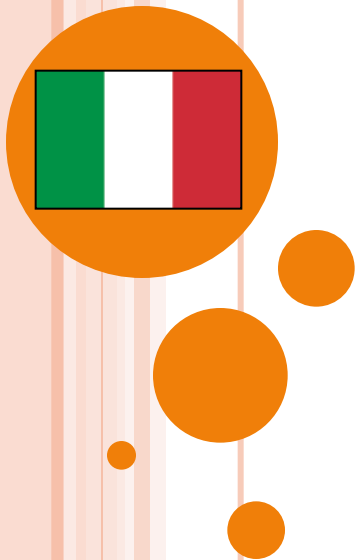

Some angels enjoyed the cold, too. 😊

ITALY

Bella Italia, solid as a rock.

ITALY

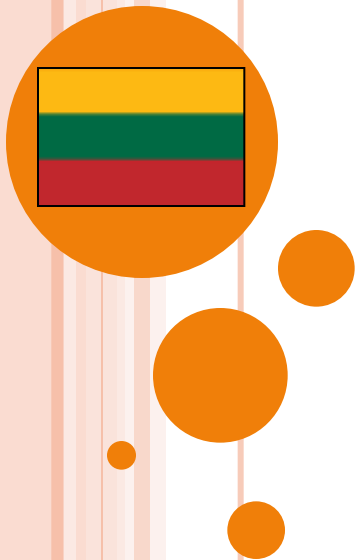

I mean they are solid as a rock.

ITALY

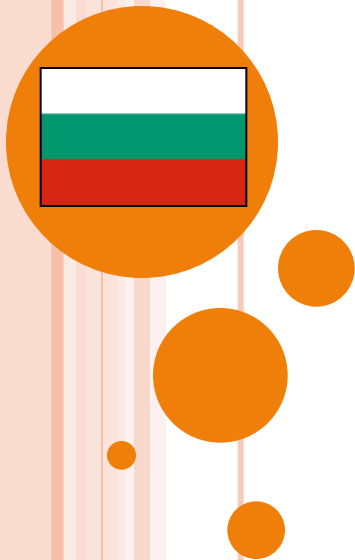

We got extremely tired and dreamt of our travel experiences.

LITHUANIA

Unfortunately, we missed out on this journey.

BULGARIA

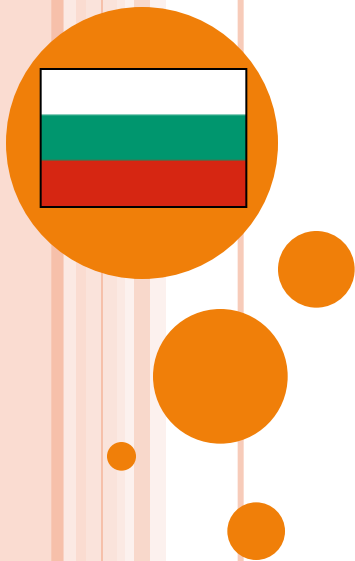

The welcome was warm, colourful and friendly which added some spice to the opening ceremony.

BULGARIA

We tried traditional dances...

BULGARIA

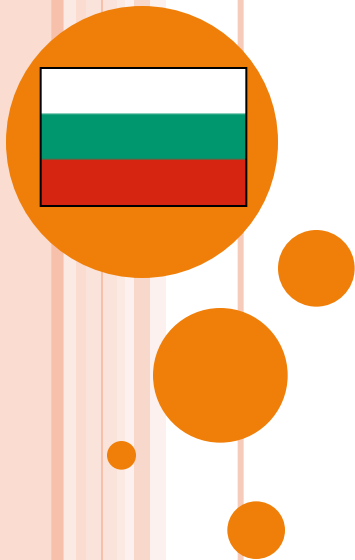

...and modern dances.

BULGARIA

Even our secret agents were satisfied with the natural beauties and fun of the park.

BULGARIA

We have never been dedicated a song. It seems Hrvoje neither...

BULGARIA

Despite what it seems we were sad at the departure.

Our pictures of Croatia are
being taken at present.

We are waiting for Turkey with all our heart!

Thank you for watching
