## 2. If you have been to Soğuksu National Park, have you visited the museum inside the park?

### Answers

■ a)Yes ■ b)No

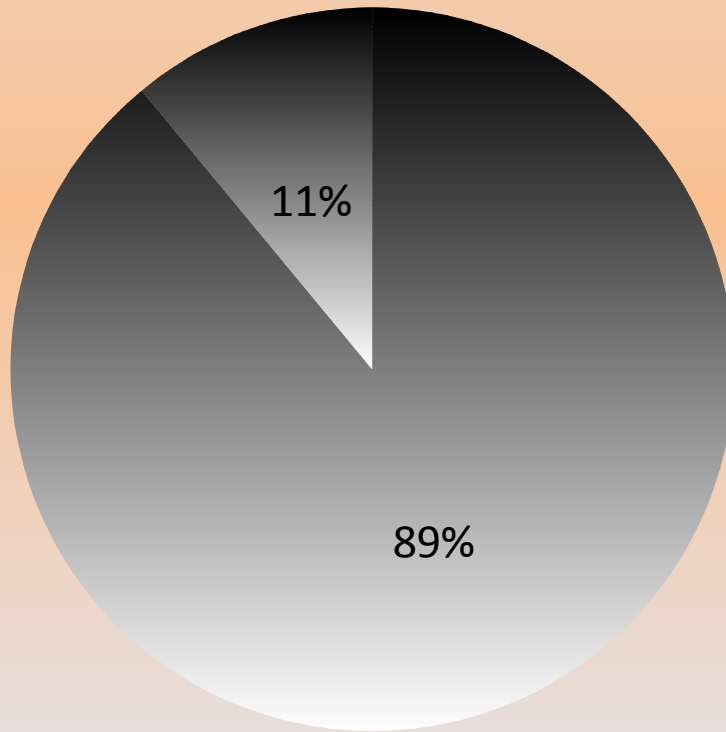

- Related to the result of the 3rd question, half of the people visited Soğuksu National Park know the museum, half of them don't know. This shows that people are aware of the museum but not interested in. They just focus on the name.

### 3. Do you know that Soğuksu National Park is rich in spa resources?

#### Answers

■ a)Yes ■ b)No

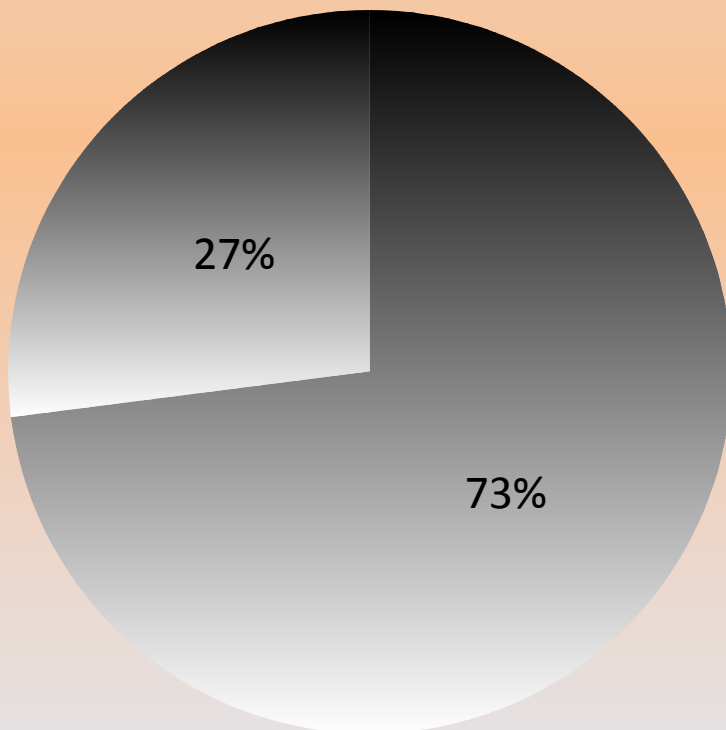

- As the region has a volcanic structure, its known as the source of mineral water, in central part of Anatolia and it's believed that spa has positive effect on health problems such as rheumatism or just for physiothreapy.

## 4. Do you know that Black Vulture is one of the endangered species in Soğuksu National Park in Turkey?

### Answers

■ a)Yes ■ b)No

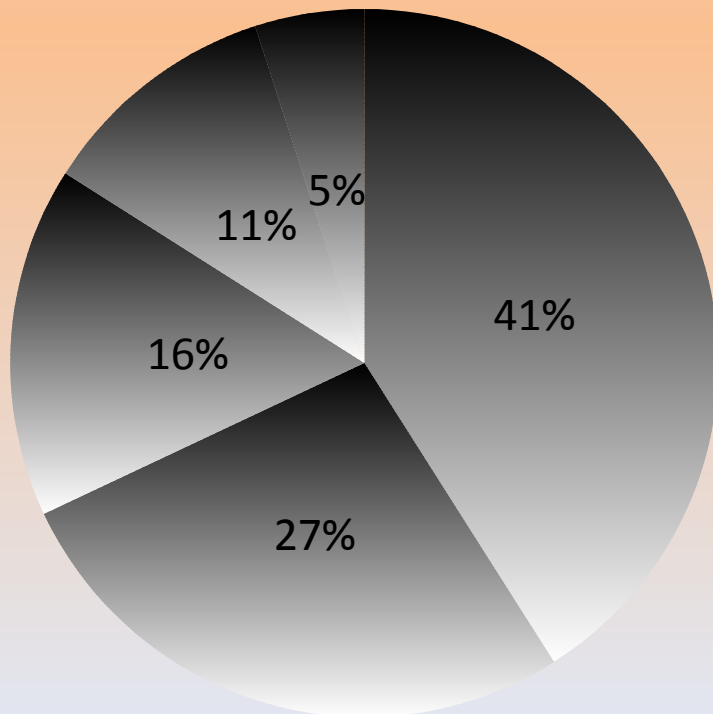

- Black Vulture is one of the symbols of Soğuksu National Park. In fact its origin is Nallıhan, which is a nearby district of Ankara and Eskişehir. Therefore there's a popular answer "yes". The figure 73% indicates that the people are aware of the Black Vulture.

## 5. What are the other activities can be done in the park?

### Answers

- a) Picnic
- b) Trekking
- c) Camping
- d) Birdwatching
- e) Others

- The main aim of visiting the Soğuksu National Park is to have a picnic but in fact other activities are more popular as well, especially trekking, camping and birdwatching. This is due to the fact that people are aware of beautiful nature in the park.

We are waiting for all of you to  
in Turkey... 😊
