Bulgaria – October 2012 – From 7th to 13th October students and professors of the Salesian High School in Wroclaw, Poland, went to visit Bulgaria through the initiative "Comenius project: National Parks of Europe". The objective of the project is to raise awareness of young people about the importance of the preservation of flora and fauna and the integration of young people from different cultures and countries. During that time, Polish students and professors participated in meetings, cultural exchanges and made visits to monuments and nature trails of the Central Balkan National Park.
